

## PRESS RELEASE GRAVITY

SCENERY IS AN INDEPENDENT LABEL DEDICATED TO DEEP HOUSE MUSIC AND VISUAL AESTHETICS. CAREFULLY CURATED AND PRESENTED BY ARTISTS. ESTABLISHED IN 2023.

### NICK EN MARE, ZORAH & ARI.

When I first heard the chords from Gravity, I immediately had the feeling of floating and complete ease of mind. For me it was the perfect tune to get outside your head and just be yourself. After a busy week I was resonating with the idea of getting out of the everyday grind and escape to your own universe. Letting go of the rules of gravity and just surrendering to the moment. In my life there are certain people who can make me feel that way too. People who make me forget about what else is going on around me and allow me to just be myself. For me personally that is what the song is really about.

— ARI.
