ODARE & ZORAH

Hailing from the heart of the Ukraine - Odare just started his deep house journey last year, already finding his own sound characterized by melodic piano elements and warm synthesizers. On 'Under My Skin', he has teamed up with scenery exclusive artist Zorah, whose atmospheric and deep signature complements his own, creating a captivating sonic landscape. The result is a lush, immersive track that blends emotional depth with smooth, flowing melodies and subtle vocals.
